

### REMARKS

Prior to an examination on the merits of the above-identified patent application, please enter the foregoing amendments.

Claims 11-21 are now pending in the above-identified patent application, as presented by the instant Preliminary Amendment. All prior (original) claims have been cancelled. Claim 11 is the single claim presented in independent form.

The present application represents the U.S. National Phase of P.C.T. Application No. PCT/GB2003/004979, filed November 14, 2003, and claiming foreign priority on the basis of corresponding United Kingdom patent applications, filed November 14, 2002.

By the present amendment, prior Claims 1-10 have been cancelled and substituted by new Claims 11-21, which have been drafted in conformance with U.S. claim practice.

A substitute Abstract of the Disclosure, on a separate sheet of paper, as required by 37 C.F.R. §1.72(b), is also enclosed.

The application is now in condition for a full examination on the merits.

Accordingly, an early examination on the merits and allowance are, therefore, respectfully requested and earnestly solicited.

Respectfully submitted,

PAUL ANDREW WILSON
